**Sub:- Reduction of maintenance charges by 70% from Nov-2019 onwards. Reg**

*In view of the HMWSSB potable water to individual houses, the bulk supply of HMWSSB potable water charges and corresponding electrical consumption charges are not required to pay.*

*Hence it is decided by the management committee to reduce the maintenance charges by 70% of the existing charges from the month of November 2019 to the only residential houses.*

*Those Residents who have all ready paid the maintenance charges from the November 2019 onwards will be adjusted accordingly .*
